OBJECTIVE

Motivated and detail-oriented computer application graduate with a strong foundation in software development, web technologies, and database management. Seeking an entry-level software development opportunity to apply technical knowledge, contribute to real-world projects, and continue developing practical full-stack and web development skills.

EDUCATION

Master of Computer Application (MCA) <i>KIT'S Institute of Management & Engineering Research (IMER), Kolhapur</i>	2025 – Present CGPA: 9.33
Bachelor of Computer Application (BCA) <i>D.Y.P – ATU, Talsande</i>	2022 – 2025 CGPA: 9.20

EXPERIENCE

Software Developer Intern — Peakprosys Solutions Pvt. Ltd., Pune	Mar 2025 – Aug 2025
- Worked on real-time web application projects involving dashboard modules and CRUD-based functionality. - Gained practical exposure to full-stack development, database integration, and responsive web interfaces. - Contributed to debugging, problem-solving, and collaboration within a professional development environment.	

PROJECTS

NGO Admin Dashboard	PHP, MySQL
- Developed a dynamic administration dashboard for managing colleges, trainers, courses, and students. - Applied CRUD operations for structured record management and designed a responsive Bootstrap interface. Value: Centralizes NGO administrative records for organized and efficient management.	
Business Board Matrix Solution	HTML, CSS, PHP, MySQL
- Developed a web-based business management solution with area-wise post filtering and meeting management. - Built separate dashboards for admin and business owners with role-specific functionality. Value: Supports structured business networking, meetings, posts, and referral-oriented activities.	
Farm Management System	Ongoing — MCA Project
- Ongoing MCA project focused on a centralized digital system for organizing farming-related activities and resources. - Aims to make farm-related activities more organized and manageable through a digital platform.	

TECHNICAL SKILLS

Programming Languages:	C++, Core Java, Python
Web Technologies:	HTML, CSS, Bootstrap, React.js
Databases:	MySQL, MongoDB, PostgreSQL
Tools:	VS Code, GitHub, Excel, Power BI

ACHIEVEMENTS & CERTIFICATIONS

- Shantadevi D. Patil Merit Scholarship Award (2022–23)
- Hands-on PHP Training Certificate
- Microsoft Excel Certificate
